You Can't Get Medicine Too Good

Good medicines are more necessary than good food. When you're strong and well a little poor food won't have any lasting bad effects, but when you're weak and sick a little poor medicine will work untold harm. Good medicines are the only kind we sell. We put the purest and freshest drugs into our prescriptions. Our prices are right, too. We have an excellent dyspepsia cure, if you are suffering from any form of this common disease. **RECALL DYSPEPSIA TABLETS** assist the gastric juices, act as a gentle tonic, enable the body to derive all the nutriment from food and cure dyspepsia and indigestion permanently. HOLSTEN'S

BASE BALL

The standing of the Western League teams up to Tuesday of this week showed a range of .823 for Sioux City to .111 for Des Moines. The former had won 14 games and lost 3; the latter had won 2 and lost 16. This is a big come-down for Des Moines, formerly the champions of the Western League.

Friday night is the date, Phelan opera house the place, the High school orchestra concert and side-splitting farce the entertainment.

HIGH SCHOOL ORCHESTRA CONCERT AND PLAY

The following musical program will be given by the High school orchestra, Friday May 12th, in connection with the play, "A Case of Suspension":

Part I

March—Social Life, J. G. Boehme
Mexican Dance, Alfred G. Robyn
Clarinet Solo—La Paloma, C. Yradier

Charlie Spacht
Guardmount, R. Ellenburg
Trio for violin, trombone and piano
Paul Thomas, Norman McCorkle and G. H. Williams.

Waltz—Loin Du Ball, Gillet

Part II

Hungarian Dance No. 5, Brahms
Violin Duet
Naomi Nelson, Paul Thomas

Trombone Solo—Evening Star, Wagner

G. H. Williams
Violin Quartet—Prayer and Rondo, from Der Frelschutz

Paul Thomas, Naomi Nelson, Mabel Worley, Walter Root.

Ideal Overture, G. F. Daniels

There can be no doubt but that real music is fast gaining popularity among the majority of people. The great compositions of the great composers receive more appreciative hearing today than ever before. While the above program is of a varied nature, consisting of marches, overtures, waltzes, and special numbers, many of the numbers are from the very best compositions.

Few high schools are so fortunate as to have material for an orchestra, hence the present organization is effected largely to present an opportunity for this talent to assert itself, and incidentally to secure the benefits of group playing. In its rehearsals, the orchestra has endeavored to secure a more perfect rendition of the best music obtainable. The concert Friday evening is the outgrowth of more than two years' work along this line, and hence should be worthy of a liberal patronage.

The orchestra personnel is as follows:

1st violin—Naomi Nelson, Paul Thomas, Walter Root; 2nd violin—Mabel Worley, Grace Root, Jessie Taylor; Cello—Carl Thomas; Bass Viol—Harold Thomas; Clarinets—Charles Lamon, Charlie Spacht; Cornet—William Lamon; Melophone—Day Cunningham; Trombone—Norman McCorkle; Piano—Beulah Smith; G. H. Williams, Director and trombone.

PREPARING FOR A BOOMING REAL ESTATE BUSINESS

The faces of Alliance real estate men are "wreathed with smiles", and The Herald is glad to see it. They are expecting and preparing for a big business the coming season. They have confidence in this country, not merely because there is plenty of moisture now, but the soil is fertile, and they know that with right crops and the right kind of cultivation farming can be made a great success here.

Geo. E. Douglas, I. U. Hager and Wm. M. Hill, doing business under the firm name of the Northwest Nebraska Land Company, are among the most enthusiastic. A commodious office has been partitioned off on the north side of the front part of the Herald building, a door opening into their office at the corner of the building gives them the street number 121 1/2 Box Butte avenue. They have two rooms which they are fixing up in tip-top shape for their business, and when they have finished putting up their display of Box Butte county products will without doubt have one of the finest real estate offices in the west. Their office is, in fact, a peach, and has been the center of attraction in this part of the city for several days past, altho the arrangement of it has not yet been completed.

The gentlemen composing the Northwest Nebraska Land Co. are so well known to the people of Alliance and Box Butte county as to make an introduction thru this paper almost superfluous. The Herald will have more to say about them and their business during the coming season.

Tomorrow night.

BISHOP KEANE VISITS ALLIANCE

Rt. Rev. J. J. Keane, of Cheyenne, bishop of the Wyoming diocese of the Catholic church, arrived in Alliance last Monday noon from Seneca, where he held confirmation service on Sunday. He was met at the station by a committee from the Knights of Columbus lodge, with three automobiles, and taken to the residence of Fr. McNamara.

Tuesday morning he conducted a confirmation service at St. Agnes' Academy, a class of more than one hundred being confirmed. The impressive service was held in the Academy chapel, which had been beautifully decorated for the occasion by the Sisters in charge of the school. After the confirmation service he spent the balance of the day looking over the church property and visiting about the city.

In the evening a reception, under the auspices of the K. C., was given in the Phelan Opera house in honor of the Bishop, who gave an address which was interesting, instructive and elevating, his subject being, "The Home". During the reception several musical numbers were beautifully rendered by students of the Academy.

On Wednesday, Bishop Keane, accompanied by Fr. McNamara and T. J. O'Keefe, went to Hemingford in Mr. O'Keefe's auto, and conducted a confirmation service there.

In his visit to this part of Nebraska he was taking the place, by request, of the Bishop of Omaha. Any time that Bishop Keane visits this city again he is assured of a cordial welcome.

ARRESTED FOR BURGLARY

A man by the name of Murray, who has been working as a plumber about town, was arrested last evening by Chief of Police Hunsicker and lodged in the city jail, charged with breaking and entering the paint shop of E. C. Whisman. He was said to be drunk at the time of his arrest. His trial will be held today.

INTER HIGH SCHOOL TENNIS TOURNAMENT

On the high school courts, Saturday, for the first time in the history of the schools a tennis tournament with other schools will be held. Prizes offered by Brennan, Thiele, and Holsten. The play will be for the High school championship of Western Nebraska in both singles and doubles. Thus far entries have been received from Chadron and Sidney with Crawford as a possible entry. The Alliance team has not been chosen.

Valuable prizes are hung up for the winners. Mr. Holsten, Mr. Thiele, and Mr. Brennan will contribute valuable tennis raquets from their up-to-date lines of sporting goods.

An admission of twenty-five cents will be charged to defray the expenses of the tournament.

LEAVE ON A VISIT

W. R. Harper and wife left today for an extended trip to eastern points and to visit with relatives at Wheeling, West Virginia. Mr. Harper is a salesman at the Norton store. They expect to return during the summer.

Herald readers will observe that in the Bennett Piano Company's three-column ad the statement is made that St. Agnes Academy purchased nine Kurtzman pianos. Since the copy for the ad was written, three more have been sold to the Academy, giving the musical department a complete equipment with these celebrated instruments.

Mrs. J. T. Wiker has made a great success as manager of the Bennett Piano Co.'s Alliance store. The business has grown to such an extent as to make an assistant necessary, and now she has the able assistance of her husband. "Johnny" began work for the Bennett people on Tuesday. He will go on the road a part of the time. A piano truck has been ordered, something new for Alliance, and a magnificent piano wagon is being manufactured.

The home of Mr. and Mrs. Melvin E. Johnston, two miles northwest of Alliance, was gladdened by the arrival of a bouncing twelve-pound girl last Saturday. The Herald congratulates the happy parents.

FAIRVIEW AND BEREA

There will be preaching at Fairview next Sunday at 11 a. m. and at Berea at 3 p. m.

ALLIANCE JOINS ANTI-TUBERCULOSIS MOVEMENT

When The Herald joined the anti-tuberculosis movement and launched a campaign to get this part of the west interested in the matter, there seemed to be so little interest that it looked like a hard proposition. One prominent man, formerly pastor of one of the churches of the city, when requested by the editor to speak publicly on the subject, voiced what appeared to be the sentiment of many when he replied that he thought there was no need of it, as there was no tuberculosis here. But The Herald kept on agitating, and agitation means education; and education means action, where action is needed. As a result interest has grown beyond our most sanguine expectations.

Last Sunday was known as "Tuberculosis Sunday". The subject was taken up at several of the churches of the city, and there is now an unprecedented interest. This interest has not taken the form of fright, for which there is no necessity, but is due largely to the knowledge that tuberculosis CAN BE PREVENTED, and possibly cured in its incipient stages, by proper diet, right exercise, fresh air, sunlight and favorable climate.

The state legislature at its recent session made an appropriation of \$40,000 to establish a tuberculosis hospital in western Nebraska. Alliance would be the ideal location for such an institution, and some effort is being made we understand to secure it for this city, but there are others who are doubtful about it being a benefit to the city, and are more than willing for some other community to get it.

Whether the state tuberculosis hospital is located at Alliance or not, The Herald will continue agitation in the interest of humanity to help stamp out consumption, "the white plague". We have been publishing the press service of the National Association for the Study and Prevention of Tuberculosis because we have felt that in so doing we were doing a good service to humanity.

From statistics published today in the new Tuberculosis directory of the National Association for the Study and Prevention of Tuberculosis, it is ascertained that over 600 cities and towns of the United States, besides about 100 in Canada, are engaged in the war against consumption, and that on April 1st there were nearly 1500 agencies at work in the crusade, an increase of nearly 700 per cent in the last seven years.

The new directory lists 421 tuberculosis sanatoria, hospitals and day camps; 511 associations and committees for the prevention of tuberculosis; 342 special dispensaries; 68 open air schools; 98 hospitals for the insane and penal institutions making special provision for their tuberculosis inmates; besides giving an account of the anti-tuberculosis legislation in every state and in about 250 cities. The directory, which is the third of its kind that has ever been published in this country, gives the most complete survey of the anti-tuberculosis movement that can be secured, and shows the remarkable growth of this campaign in the last seven years. The first directory in 1904 showed only 183 organizations and institutions in the entire United States. The second directory in 1908 reported 649 different agencies as compared with 1449 in the new book. Taking these figures as a basis, the anti-tuberculosis movement has increased in force since 1904, nearly 700 per cent, and since 1908, over 105 per cent.

The new directory is sold by the National Association for the Study and Prevention of Tuberculosis, 105 East 22d Street, New York City, at cost price, 50 cents postpaid.
